

CFK Technical Requirements for Oral Presentations

The three main types of presentations we can easily support are Microsoft PowerPoint, Google Slides, and Prezi. Ideally the finalists should send Jordan their presentations at least three days in advance and this is how they can do that for each one:

Microsoft PowerPoint

Email (if it's small enough) to Jordan.chilson@g.kpbsd.org, otherwise, upload it along with all embedded videos (if any) to a new folder in Google Drive then share the entire folder to Jordan.chilson@g.kpbsd.org.

Google Slides

Share the presentation to Jordan.chilson@g.kpbsd.org.

Prezi

Send the sharing link to Jordan.chilson@g.kpbsd.org. For instructions, see the section "Sharing with a link" on this: <https://prezi.com/support/article/sharing/sharing-prezis/>

When done, please have them send an additional email to Jordan notifying him of how they shared their content and their contestant number.
