

# CFK 2004 Winners

Agrium and UNOCAL Alaska, with all of their Alaskan employees, congratulate all participants and winners for their creative thinking in our 14th annual "Caring for the Kenai" Contest.

*CFK is a cooperative effort of the entire Kenai Peninsula community. It challenges high school students to respond to the question, "What can I do, invent or create to better care for the environment of the Kenai Peninsula, or to improve the areas of preparedness for a natural disaster?"*
